My dear Maharaja Sahib,

I have not the privilege of knowing Your Highness personally but, of course, I have heard much about you. I have never had the pleasure of visiting Mysore or Bangalore and I am wondering whether without undue inconvenience my wife and I could come to Mysore from Bombay by air on January 15, 1950, and stay till the 18th when we shall fly from Mysore to Madras. I hope that Your Highness will not hesitate to let me know if our visit will be at all inconvenient to you. I would bring with me one A.D.C. and probably my Private Secretary. I would leawe the programme to you with the request that naturally my wife and I would like to do a little sightseeing when we are in Mysore.

With every good wish,

Yours sincerely,

From

To

The Chief Secretary
to the Government of Mysore, Bangalore.

Sir,

With reference to your letter No.9262/C.B. dated 16th January 1950 and in continuation of my letter No.953/DI dated 17th January 1950, I write to state that, as directed, I accompanied His Excellency the Governor of Bombay and party from Mysore to Bangalore on the 18th instant.

The party left Mysore at about 8.30 a.m. and visited the Mandya Sugar Factory where His Excellency was received by the Chairman of the Sugar Company and the Deputy Commissioner of the District and was taken round the Factory. I then took the party to Closepet where the Deputy Director of Health and the Sub-Division Officer explained to His Excellency and to Rani Maharaj Singh details of the working of the Rural Health Unit and the Rural Welfare Centre. On the way to Bangalore, the party was taken to the Radio Electrical Manufacturing Co., where the General Manager and the Secretary explained the working of the Factory. Both His Excellency the Governor and Rani Maharaj Singh evinced keen interest in whatever they saw. After a drive round the town, His Excellency and party were taken to the Residency, where they had lunch along with the Ministers of Government, the Chief Justice, President of the State Congress and others.

After lunch

After lunch, His Excellency and party went to see Sir C.V.Raman at his Institute and spent about 40 minutes with him. Later, the Chairman of the City Improvement Trust showed them the new houses that are built in the Kumara Park Extension and the model houses put up near the Bangalore City Railway Station. On the way to the Hindustan Airport I took them to the Arts and Crafts Depot, where they made some small purchases. The party left Bangalore to Madras by air at 3.55 p.m.

His Excellency and Rani Maharaj Singh were very pleased at the opportunity given to them to see many things in Mysore and Bangalore and they wanted me to convey to Government their thanks for the arrangements made to make their brief visit to the State as enjoyable as possible.

Yours faithfully,

Principal Information Officer to Govt.

Dear Mr Srinivasan,

His Excellency has already written to you a letter of thanks for the very kind trouble which you took in arranging for his and Rani Sahiba's programme in Mysore and Bangalore. May I on behalf of my wife and myself also add how grateful we are to you? I am also thankful to you for the kind and patient way in which you listened to the Bombay Government's reference regarding compensation to people in Karwar District who suffered owing to the overflow of the Jog Tank and about the supply of electricity from Jog and Harihar in larger quantities than 1000 kilowatts and 1500 kilowatts at a later stage if and when the Government of Bombay wish to avail themselves of it.

If at any time you and Mrs.Srinivasan happen to come to Bombay, my wife and I will be only too glad to put you up as our guests.

With kind regards,

Yours sincerely,

(L. M. Nadkarni)
